

Stage Plot and Tech

Legend:

Vocal mic (Shure SM58 or equivalent)
w/ boom stand

XLR output for our Preamp

Large Diaphragm Condensor Provided by band
** only at applicable venues

Aisha

Donovan

monitor

monitor

Deacon Creek Tech Requirements

Notes:

- We travel with our own Pre-amp DI for the instruments all we need is XLR to the board
- Two shure sm58 equivalent or better
- Two monitors

*** For quiet venue's we love to sing into a Large Diaphragm condenser that we travel with just in case
